Show Pictures

1 Office Desk and Rolling Chair

Office desk with drawer storage and one rolling office chair. DESK AND CHAIR ONLY. Computer, monitors, electronics, paperwork and all contents on top of the desk are excluded.

2 Round Meeting Table and Chairs

Round wood-look meeting table with the accompanying chairs shown in the lot photographs.

3 Beverage-Air Stainless Commercial Refrigerator

Beverage-Air upright, single-door stainless steel commercial refrigerator with bottom-mounted refrigeration section. See photographs for identification plate and interior configuration.

4 Breakroom Appliances, Supplies and Water Cooler

Breakroom grouping including countertop toaster oven, microwave, coffee-making equipment, water cooler, small tables and the assorted supplies shown. See photographs for included items and condition.

5 Upholstered Settee and Accent Chairs

Brown tufted upholstered settee with wood frame and the patterned upholstered accent chairs shown.

6 Wall-Mounted Flat-Screen Television

Flat-screen television shown mounted on the wall. See photographs for screen, connections and identification details.

7 Yamaha Inverter Generator and Solar Kit

Yamaha enclosed portable inverter generator with wheels and cord shown, plus the packaged solar charging kit pictured with lot 7. See photographs for controls and labels. Operation has not been verified.

8 Grizzly Industrial Downdraft Table

Grizzly Industrial downdraft table with perforated work surface, green steel cabinet, controls and caster-mounted base. Intended for dust collection at the work surface. See photographs for identification plate and condition. Operation has not been verified.

9 Glass-Door Beverage Coolers, Qty 3

Three glass-door beverage coolers shown, including Comfee and Avanti units. See photographs for shelving, identification plates and condition. Cooling performance has not been verified.

10 Laboratory Glassware, Hotplate and Supplies

Assorted laboratory glassware, sample containers, bottles, a Fisherbrand Isotemp hotplate/stirrer and related supplies grouped in the tagged shelving area. See photographs for the included contents and product labels.

11 Thermo Scientific Laboratory Freezer

Thermo Scientific upright laboratory freezer with solid door. See photographs for identification plate and storage configuration. Temperature performance has not been verified.

12 Labconco Fume Hood, Cabinet and Lab Supplies

Skip to main content Labconco fume hood with sliding glass sash, work surface and base cabinet, plus the laboratory tools, glassware, reagent bottles and supplies shown with lot 12. See photographs for components, labels and condition. Ventilation performance has not been verified.

13	<u>Vacuum Pumps, Tool Chest and Lab Accessories</u>
Laboratory vacuum pumps with associated accessories and the red-and-black rolling tool chest shown. Review photographs for individual components and drawer contents.	
14	<u>Lab Society Distillation Equipment and Controls</u>
Lab Society laboratory distillation equipment with glass vessels, heating mantles, support stands, temperature controllers, Thermo stirring equipment and related accessories shown. See photographs for component configuration. Operation has not been verified.	
15	<u>Recirculating Laboratory Chiller and Accessories</u>
Recirculating laboratory chiller with digital control display and associated boxed accessories shown. Cooling capacity and operating condition have not been verified.	
16	<u>Pressure Gauge and Regulator Assemblies, Qty 4</u>
Four pressure gauge/regulator assemblies. GAUGES ONLY. Gas bottles and cylinders shown in the photographs are excluded.	
17	<u>Thermo TRACE 1300 GC and TriPlus RSH Autosampler</u>
Thermo Scientific TRACE 1300 gas chromatograph with TriPlus RSH autosampler, sample trays and associated modules shown. See photographs for components and connections. Configuration, calibration and operation have not been verified.	
18	<u>Thermo Scientific Sorvall ST8 Centrifuge</u>
Thermo Scientific Sorvall ST8 benchtop laboratory centrifuge with rotor shown. Identification plate indicates 2019 manufacture. Operating condition has not been verified.	
19	<u>Thermo Scientific Vanquish Chromatography System</u>
Thermo Scientific Vanquish liquid chromatography system with two detector modules, autosampler, pump, solvent bottle rack and separate column compartment shown. A photographed detector label identifies a Fluorescence Detector F. Photographs show illuminated status indicators. Includes photographed tubing and connections. Confirm individual module models and whether a computer and licensed software are included.	
20	<u>Analytical Balance with Glass Draft Shield</u>
Benchtop laboratory analytical balance with glass draft shield and digital display. See photographs for manufacturer and identification information. Calibration has not been verified.	
21	<u>Thermo Scientific Heratherm IMC 18 Incubator</u>
Thermo Scientific Heratherm IMC 18 compact laboratory incubator with glass door and internal shelving. Identification plate indicates 2019 manufacture. Temperature performance has not been verified.	
22	<u>Cascade Sciences CVO-5-1 Vacuum Oven</u>
Cascade Sciences CVO-5-1 laboratory vacuum oven with windowed door, interior shelves and digital controls. Identification plate shows 110-120V, 50/60Hz. Operating condition has not been verified.	
23	<u>Thermo Scientific TSX Laboratory Freezer</u>
Thermo Scientific TSX Series upright laboratory freezer with solid door, keyed control and digital temperature display. Shown operating with photographed readings of -21.0°C and -20.8°C.	
24	<u>Across International Cold Trap and Accessories</u>
Across International laboratory cold trap with digital controls, vented cabinet and associated hoses/accessories shown. See photographs for identification plate and configuration. Operating condition has not been verified.	
25	<u>Across International Rotary Evaporator System</u>
Across International SolventVap rotary evaporator with glassware, heating bath, condenser assembly and associated laboratory temperature-control units shown. See photographs for complete tagged grouping. Operation has not been verified.	
26	<u>Stainless Steel Laboratory Tables Only</u>
Stainless steel laboratory work tables shown in the tagged lot photographs. TABLES ONLY. Equipment, boxes, supplies and all other contents are excluded.	
27	<u>Laboratory Equipment, Cases and Accessories</u>
Assorted laboratory equipment, storage cases, cords and accessories grouped in the lot photographs. Review all photographs for the included items and identification labels.	
28	<u>Coleman Propane Grill and Compact Refrigerator</u>
Coleman portable propane grill with blue lid and folding wheeled stand, plus the compact two-door refrigerator shown with lot 28. See photographs for cooking surface, refrigerator interior and condition. Operation has not been verified.	
29	<u>Thermo Barnstead E-Pure Water Purifier</u>
Thermo Scientific Barnstead E-Pure laboratory water purification system with cartridge housings, digital display and associated plumbing shown. Cartridge condition and water quality have not been verified. BRING YOUR TOOLS FOR REMOVAL.	
30	<u>Toshiba Carrier Mini-Split Indoor Unit</u>
Toshiba Carrier wall-mounted mini-split indoor air-conditioning unit with controller shown. BRING TOOLS AND HELP FOR REMOVAL. Buyer is responsible for disconnection and removal. Shown powered on in cooling mode with the controller displaying 71°F at the time of photography.	
31	<u>Flammable Storage Cabinet and Contents</u>
Yellow two-door flammable-liquid storage cabinet with photographed contents, including reagent bottles and buckets. See photographs for product labels and remaining contents. Chemical quantities and condition have not been verified.	
32	<u>Flammable Storage Cabinet and Contents</u>
Yellow two-door flammable-liquid storage cabinet with photographed contents, including containers, buckets and laboratory glassware. See photographs for product labels and remaining contents. Chemical quantities and condition have not been verified.

33 **Adam Platform Scale and 3 Benchtop Balances**

Adam platform scale with upright digital indicator, plus three benchtop laboratory balances shown. See photographs for individual labels, capacity and configuration. Calibration and weighing accuracy have not been verified.

34 **Vitamix Blender, Glassware and Lab Supplies**

Vitamix blender with assorted laboratory glassware and supplies shown, including beakers, pitchers and containers. See photographs for the included grouping, quantities and condition.

35 **Silicone Molds, Utensils and Processing Supplies**

Assorted silicone molds, utensils, stainless steel containers and processing supplies shown in the tagged grouping. See photographs for sizes, styles and included contents.

36 **Digital Laboratory Hotplate Stirrer**

Benchtop digital laboratory hotplate/stirrer with round heating surface and control knobs. Heating and stirring operation have not been verified.

37 **Beverage-Air Under-Counter Refrigerator**

Beverage-Air stainless steel under-counter refrigerator with solid door and caster-mounted base. See photographs for identification plate, interior and condition. Shown powered on with the temperature display reading approximately 39°F in the overall photograph.

38 **Rubbermaid Ingredient Storage Bins, Qty 2**

Two Rubbermaid mobile ingredient storage bins with clear access lids and caster-mounted bases. See photographs for condition and configuration.

39 **Mobile Tray Racks and Trays, Qty 3 Racks**

Three mobile tray racks with assorted trays and sheet pans shown. See photographs for rack construction, included trays and condition.

40 **Trays, Ingredient Bins and Processing Supplies**

Assorted metal trays with green handles, Rubbermaid ingredient bins, flavoring bottles, citric acid, malic acid, corn syrup and processing supplies shown. See photographs for labels and remaining contents. Product quantities and dates have not been verified.

41 **Thermo Scientific TSX Glass-Door Refrigerator**

Thermo Scientific TSX Series upright glass-door laboratory refrigerator with digital controls and interior wire shelving. See photographs for identification plate and condition. Cooling performance has not been verified.

42 **Electronic-Keypad Safe**

Black safe with electronic keypad, turning handle and hinged door. Photographs show the door open. Lock operation, combination and access information have not been verified.

43 **ChocoVision Revolution Delta Chocolate Temperer**

ChocoVision Revolution Delta chocolate tempering machine with stainless steel cabinet, bowl and digital controls shown. Equipment is photographed under protective plastic. Operating condition has not been verified.

44 **KitchenAid Commercial 8-Qt Stand Mixer**

KitchenAid Commercial 8-quart stand mixer with stainless steel bowl and mixing attachments shown. See photographs for configuration and condition. Operating condition has not been verified.

45 **Processing Oils, Containers and Accessories**

Assorted processing supplies including coconut oil, hempseed oil, beeswax, buckets, small bottles, dispensers and related accessories shown. See photographs for product labels and remaining contents. Quantities and product dates have not been verified.

46 **PAX Labs Bingo 2.0 Processing Unit**

PAX Labs Bingo 2.0 enclosed benchtop processing unit with controls and associated equipment shown. Identification plate indicates February 2021 manufacture. See photographs for chamber and configuration. Operating condition has not been verified.

47 **Laboratory Distillation and Processing System**

Laboratory distillation/processing assembly with glassware, vacuum pumps, temperature-control units, controllers, hoses and accessories shown. See photographs for individual components and configuration. Operation has not been verified.

48 **Vollrath Induction Cooktops, Qty 4**

Four countertop induction cooktops shown, including Vollrath units. See photographs for identification labels and electrical requirements. Operating condition has not been verified.

49 **Benchtop Manual Press**

Benchtop manual press with upright frame, threaded pressure mechanism and lever handles. See photographs for configuration and overall condition.

50 **RIDGID Air Compressor and Shop Supplies**

RIDGID 6-gallon portable air compressor with assorted gloves, cords, small tools, parts and shop supplies shown. See photographs for the included grouping. Operating condition has not been verified.

51 **E-Z UP Folding Canopies and Carry Bags**

Assorted E-Z UP folding canopy frames with fabric tops and carry bags shown. Units are photographed partially collapsed. See photographs for quantity and condition. Completeness has not been verified.

52 **Wicker and Wood Armchairs**

Two wicker armchairs and one wooden armchair shown in the tagged lot photographs. See photographs for quantity, construction and condition.

53 Stainless Steel Pots, Bowls and Strainers

Assorted stainless steel pots, bowls, strainers and related kitchen/processing utensils shown in the tagged grouping.

54 Shelving Rack and 2 Step Ladders

One shelving rack and two step ladders. Includes the shelving rack and both step ladders.

55 Air Filters, Canopy Parts and Facility Supplies

Assorted HVAC filters, Honeywell Home filters, E-Z UP canopy components and boxed facility supplies shown. See photographs for product labels, sizes and quantity.

56 Safety Equipment, Hanging Scales and Tables

Safety/facility grouping including emergency eyewash station, first-aid kit, hanging digital scales, folding tables and mobile wire frame shown. See photographs for included items and condition.

57 Horticulture Reservoir and Irrigation Equipment

Horticulture irrigation equipment with gray reservoirs, plumbing and Netafim filter assembly shown. Review photographs for components. Pumps, controls and filtration performance have not been verified.

58 Horticulture Fertigation and Dosing System

Horticulture fertigation assembly with reservoir, PVC manifold, valves, dosing pumps and tubing shown. Suitable for nutrient mixing and irrigation applications. Configuration and operation have not been verified.

59 Vertical Horticulture Cultivation Racks V1-V4

Vertical horticulture cultivation rack/table system with green uprights, orange crossmembers and growing surfaces shown. Photographs identify sections V1 through V4. See photographs for layout and condition.

60 Horticulture Lighting Fixtures

Suspended horticulture lighting fixtures with reflectors and related electrical components shown in the tagged area. Review photographs for fixture configuration and quantity. Operating condition has not been verified.

61 Horticulture Cultivation Tables F1-F3, Qty 3

Three horticulture cultivation tables identified as F1, F2 and F3. Includes the three tables only. Overhead lighting and unrelated equipment are excluded.

62 Horticulture Cultivation Tables F4-F6, Qty 3

Three horticulture cultivation tables identified as F4, F5 and F6. Includes the three tables only. Overhead lighting and unrelated equipment are excluded.

63 Horticulture Cultivation Tables F7-F9, Qty 3

Three horticulture cultivation tables identified as F7, F8 and F9. Includes the three tables only. Overhead lighting and unrelated equipment are excluded.

64 Gavita LED Horticulture Lights, 4 Rows of 6

Gavita LED horticulture lighting fixtures offered by the row. Tagged lot includes four rows with six lights per row, totaling 24 fixtures. Tables and unrelated equipment are excluded. See photographs for labels and configuration.

65 Gavita LED Horticulture Lights, 4 Rows of 6

Gavita LED horticulture lighting fixtures offered by the row. Tagged lot includes four rows with six lights per row, totaling 24 fixtures. Tables and unrelated equipment are excluded. See photographs for labels and configuration.

66 Horticulture LED Lights, 4 Rows of 6

Horticulture LED lighting fixtures offered by the row. Tagged lot includes four rows with six lights per row, totaling 24 fixtures. Tables and unrelated equipment are excluded. See photos for fixture labels and configuration.

67 Coiled Hose

Coiled hose shown mounted on the wall in the tagged lot photographs. See photographs for fittings and condition.

68 Anden Commercial Horticulture Dehumidifier

Anden commercial dehumidifier with vented cabinet, digital controls and hose shown. Suitable for horticulture humidity control. See photographs for label and configuration. Operating condition has not been verified.

69 Stainless Steel Work Table Only

Stainless steel work table with lower shelf. TABLE ONLY. All equipment, supplies and other contents on or beneath the table are excluded and sell in another lot.

70 Lab Equipment, Air Mover and Horticulture Supplies

Assorted laboratory/facility equipment with benchtop stands, pressure gauge assemblies, blue MiniStorm air mover, nutrient products, cleaning products and supplies shown. Includes the photographed contents on and beneath the work table. Table is excluded.

71 Irrigation Assembly and Supplies

(Utility sink does not sell)/dosing assembly, tubing, valves, bottles and horticulture supplies shown, including bagged perlite. See photographs for included components and contents. Operation has not been verified.

72 Vacuums, Cleaning Tools and Facility Supplies

Cleaning/facility grouping including Shark stick vacuum, brooms, mops, squeegees, hoses, replacement filters, waste bin and folding step stool shown. See photographs for included items and condition. Powered equipment operation has not been verified.

73 Wire Rack, Containers and Compact Refrigerator

Skip to main content containers, light fixture, small accessories and compact refrigerator with temperature controller shown. See photographs for included grouping and refrigerator interior. Operation has not been verified.

74 Sprayers, Grodan Plugs and Horticulture Supplies

Assorted sprayers and horticulture supplies shown, including stainless steel manual sprayer, backpack/handheld sprayers, Grodan plug boxes and accessories. See photographs for product labels and included items. Operation has not been verified.

75 Global Industrial Utility Cart and Containers

Global Industrial utility cart with upper tray, lower shelf and container equipment shown. See photographs for cart configuration and included items.

76 Two-Shelf Utility Cart

Gray two-shelf utility cart with molded trays, integrated handle and caster wheels. See photographs for condition.

77 Fans, Light Fixtures and Handheld Meter

Assorted fans, light fixtures, hoses/accessories and yellow handheld meter in a carrying case shown. See photographs for included items and identification labels. Operating condition has not been verified.

78 Stereo Microscope

Benchtop stereo microscope with dual eyepieces, overhead camera attachment and illuminated base shown. See photographs for components. Optical condition and operation have not been verified.

79 Protective Apparel and Disposable Supplies

Assorted protective apparel and disposable facility supplies in boxes and packages shown. Review photographs for product labels, sizes and quantities.

80 Nursery Pots, Irrigation Parts and Supplies

Assorted white nursery pots, irrigation fittings, hoses, equipment and horticulture/facility supplies shown. See photographs for product labels and included contents.

81 Nursery Pots, Bins, Hoses and Testing Supplies

Assorted black nursery pots, storage bins, garden hoses, calibration/testing solutions and horticulture supplies shown. See photographs for product labels and included contents. Remaining liquid quantities have not been verified.

82 Work Cart, Vacuum and Facility Supplies

Mobile stainless steel work cart, small vacuum/electrical equipment, storage totes and folding step stool shown. See photographs for the included grouping. Operating condition has not been verified.

83 Stainless Steel Work Table

Stainless steel work table with metal support frame shown in the tagged lot photographs. See photographs for size and overall condition.

84 Stainless Steel Work Table and Wall Shelf

Stainless steel work table and wall-mounted shelf with support brackets shown. See photographs for size, construction and condition.

85 Wire Shelving Racks Only, Qty 3

Three wire shelving racks shown. RACKS ONLY. Bins, containers, equipment and all other contents are excluded.

86 Fan, Scales, Seating and Assorted Equipment

Assorted facility equipment including portable fan, scales, air mover and rolling seating shown. Review all lot photographs for the included items.

87 Futurola Filling Equipment and Processing Supplies

Futurola Knockbox filling equipment with associated countertop processing units, buckets, trays and supplies shown. See photographs for included equipment and contents. Operating condition has not been verified.

88 PIPP Horticulture Racks, Fans and Step Stool

PIPP horticulture rack structures with fan/duct assemblies and folding step stool shown. See photographs for tagged sections and configuration. Operating condition has not been verified.

89 Scales, Dehumidifiers, Bins and Facility Supplies

Assorted scales, dehumidifiers, MiniStorm air mover, tool chest, rolling seating, parts bins, buckets and facility supplies shown. Includes the photographed contents on and beneath the work tables. Work tables are excluded.

90 Stainless Steel Work Tables, Qty 2

Two stainless steel work tables shown in the tagged lot photographs. TABLES ONLY. Equipment, supplies and all other contents are excluded.

91 Stainless Steel Work Table and Shelf Only

Stainless steel work table and shelf shown. TABLE AND SHELF ONLY. Equipment, containers, supplies and all other contents are excluded.

92 Countertop Grinder and Processing Accessories

Countertop grinder with stainless steel feed tray and the related processing accessories shown. Review photographs for components. Operating condition has not been verified.

93 Stainless Steel Mesh Sieves and Screens

Stacked stainless steel mesh sieves/screens shown. One visible screen is marked 60 mesh. See photographs for remaining mesh sizes, quantity and condition.

94 GreenBroz Plant Material Processing Machine

GreenBroz plant material processing machine with stainless steel cabinet and circular processing components shown. See photographs for model and configuration. Operating condition has not been verified.

Plant Material Trimmer

Trimmer with stainless steel cabinet and circular trimming assembly shown. Suitable for dried botanical processing. Operating condition has not been verified.

[Skip to main content](#)

96 Wire Shelving Racks Only, Qty 2

Two wire shelving racks shown. RACKS ONLY. All equipment, containers, supplies and other contents are excluded.

97 Midea Dehumidifiers, Qty 3, and Rolling Chair

Three Midea portable dehumidifiers with a rolling adjustable chair shown. See photographs for controls, labels and configuration. Operating condition has not been verified.

98 Portable Dehumidifiers and Folding Step Ladder

Portable dehumidifiers and folding step ladder shown in the tagged grouping. See photographs for quantity and configuration. Operating condition has not been verified.

99 Double-Deck Horticulture Tables and Lights

Two rows of double-deck horticulture cultivation tables with lights. Includes the tagged two-row table and lighting grouping shown. See photographs for layout and components.

100 Storage Totes, Pots, Lights and Facility Supplies

Rubbermaid Brute storage totes with assorted nursery pots, lighting supplies/fixtures, boxes and facility accessories shown. See photographs for labels, quantities and included contents.

101 Fiberglass Step Ladder and Folding Step Stool

Fiberglass A-frame step ladder and black folding step stool shown. See photographs for ladder labels, height and condition.

102 Link4 Environmental Control Panel

Link4 environmental control panel with enclosed controls, display and associated components shown. Suitable for horticulture climate and equipment control. Configuration and operation have not been verified.

103 Link4 iGrow 1800 Environmental Controller

Link4 iGrow 1800 environmental controller with display, keypad and weather-resistant enclosure. Suitable for horticulture environmental control. Operating condition has not been verified.

104 Link4 Horticulture Environmental Controller

Link4 horticulture environmental control panel with display and enclosed controls shown. See photographs for configuration. Operating condition has not been verified.

105 Carrier Environmental Control Panel

Carrier control panel with enclosure, circuit boards and related control components shown. See photographs for identification and configuration. Operating condition has not been verified.

106 Toshiba Carrier HVAC Unit 1, No Ductwork

One Toshiba Carrier HVAC unit identified as unit 1. UNIT ONLY. Ductwork is excluded. BRING TOOLS AND HELP FOR REMOVAL. Buyer is responsible for disconnection and removal. Shown operating in cooling mode with the controller displaying 71°F at the time of photography.

107 Toshiba Carrier HVAC Unit 2, No Ductwork

One Toshiba Carrier HVAC unit identified as unit 2. UNIT ONLY. Ductwork is excluded. BRING TOOLS AND HELP FOR REMOVAL. Buyer is responsible for disconnection and removal. Shown operating in cooling mode with the controller displaying 71°F at the time of photography.

108 Toshiba Carrier HVAC Unit 3, No Ductwork

One Toshiba Carrier HVAC unit identified as unit 3. UNIT ONLY. Ductwork is excluded. BRING TOOLS AND HELP FOR REMOVAL. Buyer is responsible for disconnection and removal. Shown operating in cooling mode with the controller displaying 71°F at the time of photography.

109 Toshiba Carrier HVAC Unit 4, No Ductwork

One Toshiba Carrier HVAC unit identified as unit 4. UNIT ONLY. Ductwork is excluded. BRING TOOLS AND HELP FOR REMOVAL. Buyer is responsible for disconnection and removal. Shown operating in cooling mode with the controller displaying 71°F at the time of photography.

110 Toshiba Carrier HVAC Unit 5, No Ductwork

One Toshiba Carrier HVAC unit identified as unit 5. UNIT ONLY. Ductwork is excluded. BRING TOOLS AND HELP FOR REMOVAL. Buyer is responsible for disconnection and removal. Shown operating in cooling mode with the controller displaying 71°F at the time of photography.

111 Toshiba Carrier HVAC Unit 6, No Ductwork

One Toshiba Carrier HVAC unit identified as unit 6. UNIT ONLY. Ductwork is excluded. BRING TOOLS AND HELP FOR REMOVAL. Buyer is responsible for disconnection and removal. Shown operating in cooling mode with the controller displaying 64°F at the time of photography.

112 Stainless Steel Wall Shelf

Stainless steel wall-mounted shelf with support brackets shown. See photographs for dimensions and condition.

113 OSO Horticulture Growing Media

Boxed OSO horticulture growing media shown, including packaged growing blocks/plugs. See photographs for product labels, quantities and package condition.

114 Storage Bins, Work Lights and Respirators

Assorted blue/yellow stackable storage bins, respirators and facility accessories shown. See photographs for included items and quantity.

115 Folding Chairs

Assorted folding chairs shown in the tagged grouping, including white, beige and dark-colored chairs. See photographs for quantity and condition.

116 Stackable Horticulture Trays and Crates

Stacked gray and green horticulture trays/crates shown in the tagged grouping. See photographs for quantity, design and condition.

[Skip to main content](#) **culture Trays and Crates**

Stacked gray and green horticulture trays/crates shown in the tagged grouping. See photographs for quantity, design and condition.

118 Stackable Horticulture Trays and Crates

Stacked gray and green horticulture trays/crates shown in the tagged grouping. See photographs for quantity, design and condition.

119 Beverage-Air Freezer and Cleaning Supplies

Beverage-Air under-counter freezer with cleaning supplies shown. A photographed note states the thermostat is broken and the unit gets too cold. SOLD WITH THAT REPORTED DEFECT. Includes the photographed detergent containers and related supplies. Operating condition has not been independently verified.

121 Galvanized Stock Tanks and Assorted Contents

Two galvanized stock tanks with assorted hoses, containers and outdoor/facility items shown inside. Seller is unsure whether the tanks hold water. Watertightness is not guaranteed. See photographs for condition and included contents.

122 Galvanized Stock Tanks, Qty 3

Three galvanized stock tanks shown outdoors. See photographs for sizes and condition. Watertightness has not been verified.

123 Adirondack Chairs, Qty 2

Two white Adirondack-style outdoor chairs shown. See photographs for construction and condition.

124 Ace Roto-Mold Horticulture Reservoirs, Qty 2

Two upright Ace Roto-Mold translucent water reservoir tanks with fittings and tubing shown. Suitable for horticulture water storage and irrigation. See photographs for labels and configuration. Capacities and watertightness have not been verified.

125 Wood Picnic Table with Attached Benches

Red-painted wood picnic table with attached benches. See photographs for construction, dimensions and weathering.

126 Fans, Ladder and Facility Equipment

Assorted fans, ladder and facility equipment shown. Includes the Stack fan and boxed 18-inch wall fans in the tagged grouping. See photographs for remaining items and condition.

127 Excalibur Dehydrator, Cart and Shop Supplies

Excalibur food dehydrator, rolling screen cart, slotted storage panels, duct pieces, containers and assorted shop supplies shown. See photographs for labels and included items. Powered equipment operation has not been verified.

129 Cornhole Boards, Fiber Drums and Bagged Supplies

Pair of red cornhole boards with fiber drums and bagged supplies shown in the lot photographs. See photographs for quantity, condition and included contents. Bagged contents have not been verified.

130 OSO Horticulture Growing Blocks and Supplies

Boxed OSO horticulture growing blocks/media and related supplies shown. See photographs for product labels, quantities and package condition.

131 GE Stainless Steel Top-Freezer Refrigerator

GE stainless steel top-freezer refrigerator with separate refrigerator and freezer doors. See photographs for model label and interior configuration. Cooling performance has not been verified.

132 Tray Rack, Trays and Assorted Accessories

Metal multi-level tray rack with trays and the additional containers/accessories shown in the lot photographs. Review all photographs for the included grouping.

133 Blue Storage Drums and Assorted Containers

Blue plastic storage drums with lids and associated containers shown. See photographs for quantity, condition and included accessories. Capacity and watertightness have not been verified.

134 Shop Vacuum, Mop Equipment and Rolling Chair

Yellow wet/dry shop vacuum with mop buckets, cleaning tools, waste bins, rolling chair and facility supplies shown. See photographs for included items and accessories. Operating condition has not been verified.

135 JOOLA Table Tennis Table and Assorted Equipment

JOOLA folding table tennis table with blue MiniStorm air mover and round folding table shown with lot 135. See photographs for included grouping and condition. Powered equipment operation has not been verified.

136 Wire Shelving Rack and Contents

Wire shelving rack with assorted tools, storage totes, cords and facility supplies shown. INCLUDES RACK AND CONTENTS. Review all photographs for the included grouping.

137 Wire Shelving Racks and Contents

Wire shelving racks with the associated bagged horticulture supplies and other contents shown. INCLUDES RACKS AND CONTENTS. Review all photographs for the included grouping.

138 6 PIPP Double-Deck Tables with Lights and Fans

Six PIPP double-deck horticulture cultivation tables with lights and fans. Includes the tagged six-table grouping shown. Photographs show rolling rack controls, lighting and fan assemblies. See photographs for configuration and condition.

139 Fantech Portable Commercial Dehumidifier

Fantech portable commercial dehumidifier with wheels, handle and hose/duct accessories shown. Suitable for horticulture humidity control and facility drying. See photographs for label and configuration. Operating condition has not been verified.

140 Quest Commercial Horticulture Dehumidifier

Quest commercial dehumidifier with filter, duct connections and support stand shown. Suitable for horticulture humidity control. See photographs for identification and configuration. Operating condition has not been verified.

141 4 PIPP Double-Deck Tables with Lights and Fans

Four PIPP double-deck horticulture cultivation tables with lights and fans. Includes the tagged four-table grouping shown. Photographs show rolling rack controls, lighting and fan assemblies. See photographs for configuration and condition.

142 Mobile Three-Drawer Storage Cabinet

White mobile three-drawer storage cabinet with top tray and caster-mounted base. See photographs for condition and drawer configuration.

143 Mobile Three-Drawer Storage Cabinet

White mobile three-drawer storage cabinet with top tray and caster-mounted base. See photographs for condition and drawer configuration.

144 Wire Rack, Champion Dishwasher and Contents

Wire shelving rack with containers, trays and the Champion under-counter commercial dishwasher shown with lot 144. INCLUDES RACK AND CONTENTS. See photographs for components and condition. Dishwasher operation has not been verified.

145 Wire Shelving Rack and Contents

Wire shelving rack with boxed supplies, stackable storage bins and related contents shown. INCLUDES RACK AND CONTENTS. Review all photographs for the included grouping.

146 Wire Shelving Rack and Contents

Wire shelving rack with boxed parts, containers, facility supplies and accessories shown. INCLUDES RACK AND CONTENTS. Review all photographs for the included grouping.

147 Storage Bins, Gloves and Facility Supplies

Assorted storage bins, boxed vinyl gloves and facility supplies shown. Review all photographs for product labels, quantity and included contents.

148 Stainless Steel Work Table Only.

Stainless steel work table shown. TABLE ONLY. BRING TOOLS TO DISCONNECT THE ELECTRICAL OUTLET. The electrical outlet does not sell and must remain. Equipment, supplies and all other contents are excluded.

149 Assorted Plastic Parts and Storage Bins

Assorted plastic parts/storage bins in black, red, green, blue and yellow shown. See photographs for sizes and quantity. Work table is excluded.

150 Stainless Steel Work Table and Shelves Only.

Stainless steel work table and shelves shown in the tagged photographs. TABLE AND SHELVES ONLY. Laboratory equipment, glassware, supplies and all other contents are excluded.

<u>151</u>	<u>Wire Shelving Racks Only, Qty 3</u>
-------------------	---

Three wire shelving racks. RACKS ONLY. Boxes, storage trays, equipment, supplies and all other contents are excluded.

152 Stainless Steel Work Table Only.

Stainless steel work table shown. TABLE ONLY. BRING TOOLS TO DISCONNECT THE ELECTRICAL OUTLET. The electrical outlet does not sell and must remain. Equipment, supplies and all other contents are excluded.

154 Wire Shelving Rack Only.

Wire shelving rack shown. RACK ONLY. Boxes, equipment, supplies and all other contents are excluded.

155 Wire Shelving Rack Only

Wire shelving rack shown. RACK ONLY. Boxes, equipment, supplies and all other contents are excluded.

156 Wire Shelving Rack Only.

Wire shelving rack shown. RACK ONLY. Boxes, equipment, supplies and all other contents are excluded.

157 **Rolling Chairs, Stool and Folding Step Stool**

Assorted rolling chairs, rolling stool and folding step stool shown. See photographs for quantity, styles and condition.

158 Hand Sanitizer and Dispensing Pumps
